Comfort you can feel,
memories you can *touch*.

GRIEF NEVER ENDS...
BUT IT CHANGES.
IT'S A PASSAGE,
NOT A PLACE TO STAY.
GRIEF IS NOT A SIGN OF
WEAKNESS, NOR A
LACK OF FAITH.
IT IS THE PRICE OF LOVE.

When *someone* you love
becomes a memory, the
memory becomes a *treasure*.

Our hallmarked silver and gold jewellery is a beautiful and meaningful way to remember a loved one who has passed away. Carefully and lovingly made in our studio by our devoted craftsmen and women, our memorial range captures all of the unique swirls, loops and curves of a fingerprint, handprint, footprint or handwriting, whilst our lockets preserve a small amount of your loved one's ashes.

*"I love my Recollections necklace.
It brings me comfort and a feeling that a small
part of her is always with me." – J. Wiles.*

A beautiful reminder of a life lived in love.

Your loved one's fingerprints capture their life story. More unique than their DNA, every swirl, loop and arch started taking shape before they were even born. The way they lay and moved around in the womb decided how every individual line was formed.

After just 15 weeks, the creation of your loved one's fingerprints was complete and they stayed the same for the rest of their lifetime, through all of life's ups and downs. Every cut, abrasion, burn or scar tells its own memorable story.

Whether you choose to capture your loved one's life story through their fingerprint, through the unique features of their hands and feet or through the unique swirls of their pen stroke, Recollections' jewellery is a discreet source of comfort that you can always keep with you.

"A piece of jewellery that holds thousands of memories, thank you." - T. Dalziel

"I chose to have my dad's index finger because it had a noticeable scar. I know it sounds strange, but it brings back so many happy memories – not just of the day he cut his finger fixing my bike."

- P. Edwards

LOCKETS FOR ASHES

Little by little we let go of loss,
but never of *love*.

A small amount of your loved one's ashes kept safely and discreetly inside the secret capsule of a personalised timeless locket keepsake.

You can choose from our beautiful hallmarked locket necklaces or opt for a locket pendant which you can attach to your own jewellery.

We also craft locket keepsakes – simply to hold for comfort and not to wear.

Locketts are available in 9-carat yellow gold, 9-carat rose gold or sterling silver and you can choose from two classic shapes: heart or circle.

For prices please see page 14.
